Dr. Otto Guthe, Deputy Assistant Director  
Office of Research and Reports  
Central Intelligence Agency  
2430 E Street, N.W.  
Washington 25, D.C.

Dear Dr. Guthe:

The Division of Intelligence, US Atomic Energy Commission, recently prepared an unclassified briefing book for Chairman Seaborg's visit to the USSR. Upon completion of the book Chairman Seaborg verbally expressed his appreciation to me because he felt that the material was of considerable value.
